## Our Play 3 Service

Play 3 provides after school and holiday play services in many London primary schools. Our professional, caring staff deliver activities for children and young people from 3.5 to 11 years and provide safe play environments that aim to support each child to learn and develop socially, physically, intellectually, creatively and emotionally.

We believe it's extremely important from an early age for children to have opportunities to take part in regular activities which are both adult-led and child-led in order to be healthy, to have fun and to learn new skills. Our activities are inclusive, and cover sports, arts and crafts, dance, games, cooking and free play opportunities.

Our service aims to be financially sustainable and flexible to meet the needs of all parents especially those who are in employment or full-time education studies. We cater for one-off bookings, emergency bookings and regular days.

Every child is provided with a healthy afternoon snack/breakfast which includes fresh fruit and water in all our sessions.

P3 Believe:

"Children have the right to relax and play, and join in a wide range of cultural, artistic and other recreational activities"
