

AWESOMENESS WANTED!

PEER REVIEWERS

The People Shaping P3 team are on the lookout for Peer Reviewers to find out how our services feel to the people who access them.

As a Peer Reviewer, you'll be visiting P3 hubs and places to stay, and speaking to people about their experience of P3 services. You'll gather feedback from these conversations, and measure how well we are doing against our People Standards.

What are the People Standards?

P3's People Standards were co-produced by the people we work alongside and the PSP3 team, and set a benchmark for what makes a service feel good, welcoming and accessible. We want everyone's experience to be positive first time, every time
